[5] Transportation (TR)

[5.9] Zero Emission Vehicles (ZEV) availability on campus (TR.3)

SAMPLE

	
(College of Engineering, University of Samarra)	Charging points for EV (University of Samarra)

Description:

All campuses of the University of Samarra are designed to support pedestrians and cyclists through safe and accessible pathways. Several areas within the university include vehicle-free routes dedicated to walking and cycling. A reduced speed limit is enforced on internal roads to improve safety and reduce traffic risks. Bicycle lanes and parking racks are available across different university locations in various designs to encourage sustainable transportation. In addition, the university promotes eco-friendly mobility by supporting cycling initiatives, providing services and awareness activities, and encouraging students and staff to use bicycles as an alternative mode of transportation.

No	Zero Emission Vehicle Type	Total
1	Bicycle	370
2	Electric Bus	1
	total	371
